

The **May** Artist of the Month is...

Conner Douglas! (Gr.10)

Conner is an example of what makes a great Art student. Conner takes on the challenge of every Photography project. If he doesn't like his results, he puts himself back out there and, by choice, will retake images until he gets something he is proud of. Conner did a beautiful job documenting the streets of Italy on his most recent trip. He revealed all sides of Italy, giving his audience a well rounded view. Keep shooting Conner; you are a great photojournalist!

Congratulations Conner!
Keep it up!
