

The **September** Artist of the Month is...
Maddy Crandall! (Gr.11)

The Art Department is blown away by your commitment to AP:2D. You are on top of your assignments and constantly photographing. Your efforts clearly show through in your work. Your photographs become more successful with each shoot; you are used to the camera and allowing yourself to fully explore your potential. We are so proud of you!

Congratulations Maddy! Keep it up!
