## The December Artist of the Month is... Alexis Evans! (Gr.9)

Alexis is in Studio Art this year and is working really hard on her pieces, taking the time to develop details to make them as successful as possible. She asks questions when she's stuck and utilizes her class time, as well as coming down during her study hall to paint. We can't wait to see what Alexis is going to create in the future!

Congratulations Alexis! Keep it up!
