

In Honor of Youth Art Month:
The **March** Artists of the Month are...
Haley Hicks & Franki Farano!
(Both Gr.11)

Haley and Franki are both exemplary artists. However, what sets them apart is not just their natural talent or skill, but their drive to create highly original works of art. They are both hardworking, professional artists who personify all that is “Youth Art Month.” We look forward to viewing their finished pieces at the *Night of the Arts* in May!

Congratulations Haley & Franki! Keep it up!
