

The **April** Artist of the Month is...  
***Danielle Morse!*** (Gr.10)

Danielle is currently in *Studio Art* where she recently finished her monochromatic painting. Danielle chose to paint a memorial painting in memory of her brother. Danielle dedicated herself to this painting, she came in during study halls and stayed after school. She took on each challenge with a positive attitude and was always willing to push herself in order to increase her painting skills and understanding of form. The final piece is a true reflection of her hard work; we are so proud of you, Danielle.

**Congratulations Danielle!**  
**Keep it up!**
