

The **April** Artist of the Month is...

***Kianna Flavin!*** (Gr.10)

Kianna is currently enrolled in Graphic Design along with being a very active member of National Art Honor Society. Kianna looks at each Graphic Design project as a chance to challenge herself, increase her skills, and to fully push Adobe Photoshop to get the result that she desires. Kianna has also explored advanced equipment such as the Wacom pen and tablet in her journey to grow as an artist.

**Congratulations Kianna! Keep it up!**
